No trace of Elizabeth MURFORD, but at nearby Lanteglos by Fowey John MUMFORD married Joan WALLY on April 10th 1721, with son John bapt. May 29th 1722, Mary in March 3rd 1724 and Elizabeth on August 11th 1734.
Alternatively, Elizabeth MUFFORD was bapt. on Feb. 21st 1699 at St Austell to James and Tamesin.
In 1660 the nearest name at St Austell was MUMFORD.

(Note: if it is Mary LEWARNE who married John LITTLE, her father was William LEWARNE. In 1641 both John LAWRENCE and LEWARNE are listed; only the LEWARNE family for the 1660 Poll Tax)
But note that John LAWRENCE married Jane CAME on Feb. 5th 1623 while John CORNE married Jane SEDIE on May 10th 1623.
In 1641 there were John CORNE and CO(R)NE.
In 1660 the names were John and Thomas CANNE

Burials include Humphry CURNE, Dec. 10th 1697 and Francis CARNE, Feb. 11th 1699 - both in the church.
Presumably outside: Grace CARNE on Dec. 20th 1698 and Philadelphia CARNE on Jan. 10th 1698
All the above are at St Stephen in Brannel. At nearby St Austell, in 1660 Kateren CARNE was assessed for the huge sum of £35:14:00.

(Note: neither for the CLEERE nor LITTLE families could matches be found locally, though in both cases these families were established in the area. It is perhaps a co-incidence that in both cases, possible matches did occur at Maker, a village some 36 miles to the east, towards Plymouth.
These possible links are shown above.
