THE ELLIS LINE TO HANNAH ELIZABETH ELLIS WHO MARRIED EDWARD JEFFERY MILAN AT HANGING HEATON, SOOTHILL IN 1910

http://www.ardrosshouse.com/family.htm

Although this outline is done with our own family in mind it will hopefully prove useful to other people researching ELLIS families in Nidderdale, Yorkshire. There is no guarantee of course that all relationships are correctly noted; but we have examined a number of wills, starting with Richard ELLIS of Killinghall who died in 1743 and these have been of considerable help.
